

Membership Dues Invoice 2010-2011

LCHRA's mission is to enhance the growth of the human resource profession in the lakes area through networking and learning opportunities.

Meetings are held on the second Wednesday of every month except for August and December. Our chapter meetings are informal with speakers, round table discussions and information sharing among members.

Annual dues are \$25 and will be used to offset chapter expenses such as speaker honorariums, postage, supplies, etc. This year the annual membership fee will run for July 2010 through December 2011.

Please make your check payable to LCHRA or Lake Country Human Resource Association and mail it to:

Megan Smith, HR
